Project Title	SouthEastern Arizona Community Action Program, Inc. IDA Program
Contact Information	Librado Ramirez 283 West 5th Street Safford, AZ 85546 (928) 428-4653
Grant Amount	\$300,000
Nonfederal Support	\$300,000
Project Period	September 2004 – September 2009
Highlights	The SouthEastern Arizona Community Action Program, Inc. IDA Program will help 150 low-income families purchase homes. For every \$1 participant families save in their homeownership IDAs, the program will provide a \$3 match. The program will also provide financial and asset-specific training to participants either directly or through collaborations with partner organizations.
Target Population	Low-income households at or below 125% of poverty and households eligible for Federal Temporary Assistance for Needy Families (TANF) in the Safford and Thatcher communities of Graham County, Arizona. These communities were selected for their rural locations and their high rates of poverty and unemployment.
Grantee/Collaborative Description	SouthEastern Arizona Community Action Program, Inc. (SEACAP), established in 1967, is a designated Community Action Agency in Arizona, serving four out of 15 counties: Graham, Greenlee, Cochise, and Santa Cruz Counties. SEACAP coordinates and manages an array of Community Action programs targeted at low-income households throughout the designated service area.
